

GET INVOLVED IN CHRISTAR SHORT TERM MINISTRIES 2012

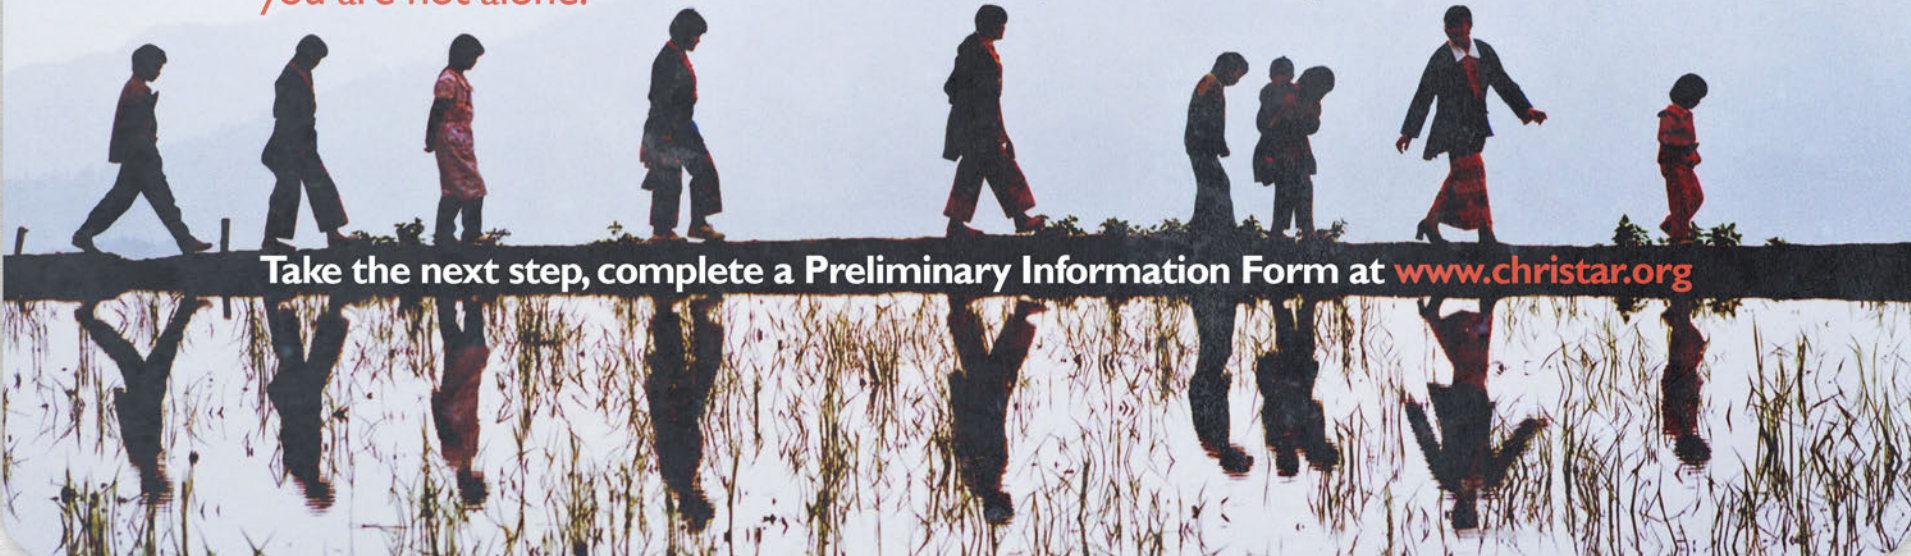

If long-term missions is on your radar, but the details are still unclear, you are not alone.

Church Planting is our one goal; we reach it through many methods:

Arts	Medical	Counseling
Music	Social Work	Creation Care
Bible Training	Sports	Discipleship
Business as Mission	Teaching	Women's Ministry
Church Planting	TESL	Youth Ministry
Community Development	Computer/IT	Whatever it Takes!

In fact, you're the reason that Christar has a Short Term Ministries office. Our short-term opportunities are specifically designed to give you a taste of what it is like to be on a church-planting team and help you determine how the Lord is leading you to serve Him. We strive to provide you with a firsthand experience of what it's like to minister among least-reached Buddhists, Hindus, Muslims or other Asians under the guidance of people who are already doing it.

Our single goal: Church Planting – the establishing of God-glorifying, Christ-centered communities is a process not an event. Getting to know, and develop relationships with, least-reached peoples is a difficult and long-term endeavor.
